

PROFESSIONAL INDEMNITY INSURANCE CONFERENCE

1 - 3 JULY 2024

ROBINSON COLLEGE, CAMBRIDGE

THE CONFERENCE

This is the twenty-sixth Conference arranged with support from the Professional Indemnity Forum. The event will once again cover a wide number of issues including:

- A review of recent issues and expectations for the future.
- Emerging issues facing the professions and the insurance market.
- Regulatory, legal and coverage developments in individual professions, including insurance brokers and solicitors.
- Significant legal decisions that are impacting on the professions' exposures and a look forward to what the next year may bring.

Following each presentation, time is set aside for delegates to discuss points and there will also be opportunities for participants to partake in the Symposium and raise issues for further discussion.

WHO IS THE CONFERENCE FOR?

This Conference will be of interest to anyone involved in Professional Indemnity Insurance, including underwriters, claims managers, risk managers, lawyers and brokers.

THE PROFESSIONAL INDEMNITY FORUM

PIF was formed many years ago by leading underwriters in the London Market with a view to improving levels of knowledge in the market as a whole. PIF is now a Committee of the International Underwriting Association of London Ltd (IUA). Membership is open to all IUA members together with invited underwriting representatives from other syndicates and companies. PIF presents a forum for discussion of issues of interest to the PI Market. It also seeks to promote sound principles for best practice, provide education to its members and formal liaison with other professional bodies. This Conference gives the members of PIF the opportunity to further its aims and to involve others in the industry who have an interest in Professional Indemnity Insurance.
